## Directions to the North Jefferson City Multipurpose Building

### From Areas South and South-East of Jefferson City

Take 54/63 through Jefferson City and go North/East over the Missouri River to exit (W) (Airport). This is the first exit over the river. Go to the top of the exit ramp and take a left on (W). Go two tenths mile and take a left at Cedar City Dr. Go one tenth mile then left at Sandstone Dr. The **North Jefferson City Multipurpose Bldg.** is the first building on the left.

### From Columbia and I70 West

Take 63 South to the West 54 South 63 Exit. Then take the first exit (W) (Airport Exit). At the top of the ramp take a left on (W). Go one tenth mile to Cedar City Drive take left. Go one tenth mile and turn left at Sandstone Dr. The **North Jefferson City Multipurpose Bldg.** is the first building on the left.

### From St. Louis and I70 East.

Exit 148/Hwy 54. Go west on 54 approx. 30 miles to Exit (W). You will be able to see the Capitol and the bridge. Exit (W) (Airport) is last exit before you go over the bridge. At the top of the exit take a left on (W). Go one tenth mile turn left onto Cedar City Dr. Go one tenth mile turn left at Sandstone Dr. The **North Jefferson City Multipurpose Bldg.** is first building on the left.

**Parking is both in front and behind the building, plus along Sandstone Drive.**

**Have a safe drive.**

**Info on back if you are in need of any additional or more specific directions. Thank You!**
