

Safe and Easy Nest Box Cleaning

Not all nest boxes are this messy.

Remove old nesting material.

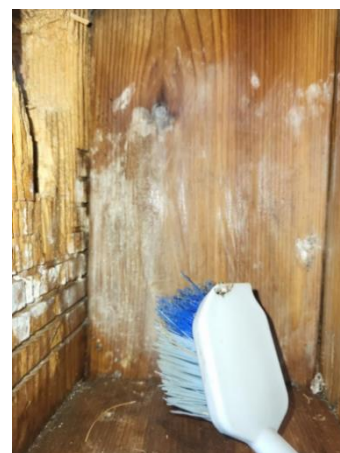

Critical to Success when using CareFree Natural Enzyme products:

1. **Shake** product **VERY** well each time it is used.
2. **Do Not** store above 90 degrees (cooler is better)

Brush out dry droppings and Spray with "House Cleaner Enzyme". Scrub and wipe clean.

Spray AGAIN (without wiping off product)
Ready for another nest!

Options in RTU or concentrate.
